A Hunter Pace is a form of competition involving teams of horses and riders who follow a marked course, going at the speed which would be appropriate during an actual hunt.

Rules: Course is clearly marked with orange flags to stay on your right, unless there is signage otherwise. Riders must follow the entire course to be judged. **Judging is based on nearest (under) the Optimum Time.** Optimum Time is adjusted for each division. **First Flight** is fastest and is mostly galloping and cantering. **Second Flight** is cantering and trotting and **Hilltopper** is walking and trotting.

AWARDS: Medals and ribbons to flight winners to 3rd place at the end of the Pace.
